

## CASA of San Mateo County – Volunteer Orientation

330 Twin Dolphin Drive, Suite 139, Redwood City, CA

Come to one of our one-hour Orientation session before Winter 2017 Training begins and find out how YOU can make a difference in the life of a child!

We bring trained adult volunteers into the lives of children whose parents cannot or won't take care of them; a normal, everyday San Mateo County resident who spends a couple of hours a week with a child in crisis.

CASA Volunteers do ordinary things, like go to the movies or attend a dance recital...maybe for the first time in the child's life. As a CASA Volunteer, you can offer consistent caring support to children who are alone and in need.

Our Orientations last one hour and will take place on **Wednesday December 28 at 12 noon and on Wednesday January 4 at 6 pm. LOCATION:** 330 Twin Dolphin Drive, Suite 139, Redwood City, CA
