

Mid Peninsula Village

NEIGHBORS HELPING NEIGHBORS

SEEKING VOLUNTEERS!

Mid Peninsula Village is a non-profit, membership organization serving older adults in San Mateo, Burlingame and Hillsborough. Our dedicated, enthusiastic group of volunteers recognize the need to serve aging adults who wish to remain independent in their homes. Basically, we are neighbors helping neighbors.

We need volunteers who are willing to drive our members to appointments, do light household or garden chores, help with computer problems, or just pay a friendly visit or phone call.
