This dashboard is provided as a public service by the City of San Mateo, however we cannot guarantee the accuracy, completeness, or timeliness of the information. Council candidates are required to report campaign contributions and expenditures on Form 460s, this includes two pre-election filings and two semi-annual filings. The data displayed here covers 07/01/2026 - 10/05/2026. Candidates may amend previous filings to provide corrections; this dashboard may not include all amended filings.

However, these filings can be reviewed now on the City's filing portal (Netfile link below). Candidates are required to report contributions of $1,000 or more within 24 hours of receipt by filing a Form 497. Anyone making independent expenditures to support or oppose a candidate must file a Form 496 within 24 hours.
