

PERMACULTURE DESIGN: REGENERATE YOUR LANDSCAPE

Care for the earth, care for the people, and return the surplus!

SATURDAY, APRIL 20, 2019
12:00 PM - 1:30 PM
SAN MATEO PUBLIC LIBRARY
55 W. THIRD AVENUE (OAK ROOM)

San Mateo
Public Library

Permaculture works with nature instead of against it -- saving energy, minimizing waste, and lowering environmental impact. Local permaculture expert Nicholas Hardy will discuss how to holistically restore and regenerate the degraded ecology of our local landscapes and watersheds.

This is a free event but registration is required:
