

Tax Reform

New Deductions for Business and Real Estate Ownership

**

April 23rd
1:00pm, Oak Room

If you are a business owner, your income may qualify for all or part of the new Sec. 199A 20% deduction. You can also qualify for the new 20% deduction for income from real estate activities. At this workshop, you will not only discover how this new deduction works; you will also learn how to maximize the deduction under the new tax law.

Registration Required
