

Request for Qualifications for the Prequalification of Bidders for the Underground Flow Equalization System Project

The City of San Mateo (City) is accepting Applications for Prequalification for the Underground Flow Equalization (UFES) Project. This Request for Qualifications (RFQ) document is issued with the intent to pre-qualify general contractors for construction of this project. A current California contractor's license is required to bid the Project: Class A. All questions regarding this RFQ shall be directed to Ben Wright, Project Manager, email: ben.wright@jacobs.com, by August 30th, 2019. The RFQ is available for viewing online at <http://www.cityofsanmateo.org/bids.aspx>. Statements of Qualifications (SOQs) shall be submitted by construction firms that have a capable and demonstrable background in the type of work described in this RFQ. Sealed Applications for Prequalification shall be submitted to the City of San Mateo Public Works Department, 330 West 20th Avenue, San Mateo, California, 94403, no later than: **2:00 p.m. on September 5th, 2019**. SOQs received after the deadline will not be considered. Respondent's shall submit their SOQ in four (4) sets and one (1) electronic copy in PDF format on a flash drive. **A Non-mandatory** Informational Conference for General Contractors will take place on August 15, 2019, 10:00 am at City Hall, 330 West 20th Avenue, San Mateo, CA 94403. This will provide an opportunity to ask questions regarding the project and the application requirements.
