

COMMUNITY MEETING

LET'S TALK ABOUT PARROTT DRIVE

January 14, 2020

6-8 p.m.

Baywood Elementary School
600 Alameda De Las Pulgas
San Mateo, CA

DEAR RESIDENT,

The City of San Mateo Public Works Department invites you to join us for a discussion on the conclusion of the Pilot Project at the intersection of Parrott Drive and Alameda de las Pulgas.

Based on a May 2019 meeting in your community, the temporary intersection was installed in August 2019 to assess safety improvements for traffic, pedestrians and cyclists using the intersection.

As promised in May, traffic engineers welcome your feedback on the intersection now that the six-month project is coming to a close. At the meeting, staff will report on the pilot project findings and discuss the next steps.

Please join us:

January 14, 2020

6-8 p.m.

Baywood Elementary School
600 Alameda De Las Pulgas
San Mateo, CA
