

# NOTICE OF CONSTRUCTION

September 15, 2020

## **An improvement project near you will start soon.**

The City will be renovating the Central Park Parking Garage and Tennis Courts.

The work consists of structural repairs and seismic shoring, as well as a complete strip and resurfacing of the Downtown tennis court deck.

## **ANTICIPATED SCHEDULE:**

Oct. 1 to Dec 31, 2020

## **CONSTRUCTION HOURS:**

8 a.m. – 5 p.m., Monday to Friday.

**During this time, the garage and tennis courts will not be available for public use.**

Please note the 'no parking' signs in your neighborhood. We thank you for your patience and cooperation.

## **PROJECT DETAILS:**

# NOTICE OF CONSTRUCTION

An improvement project in your neighborhood has been approved by City Council and the construction will begin soon. See the reverse of this card for details on your neighborhood's upcoming improvements.

The City of San Mateo Public Works Department ensures your infrastructure is efficient and sustainable for generations to come. Below are just some of the types of projects Public Works prioritizes:

### ROAD IMPROVEMENT

The maintenance and repair of our city's network of roads improves the quality of life for our residents and their visitors. These projects can be pavement reconstruction, slurry seal or roadway rebuilding.

### TRAFFIC FLOW IMPROVEMENT

Traffic flow is an essential element to safety in our communities. These projects can include dedicated turn lanes, intersection redesign, speed bumps installation or a new traffic signal.

### ACCESSIBILITY FOR ALL

The accessibility of our neighborhoods for all improves the health of our city for every citizen. These projects can include new or enhanced bike paths, sidewalks redesign, park trails and crosswalk improvements.

### STORMWATER MANAGEMENT

To decrease polluted stormwater flows into the San Francisco Bay, we work on flood zone improvements and Green Infrastructure design to ensure a healthy environment for all.
