

**HIPhousing**

## **HIP Housing Seeking Volunteers**

Human Investment Project Housing (HIP Housing) is a non-profit organization based in San Mateo County that specializes in affordable and creative housing solutions. Each year, HIP Housing helps 1,400 people find housing or keep their homes through our Home Sharing, Self Sufficiency, and Property

Development Programs. We could use your help with program outreach, database and email list clean-up, and more. Each of the following projects take 1-2 hours per week. For more information, contact Marissa Angulo, Special Events & Database Manager, at [mangulo@hiphousing.org](mailto:mangulo@hiphousing.org). To apply, visit <https://forms.gle/YJ4RLmPAP5KDZELH7>

### **Rooms for Rent Distribution List Update Project**

Once a month, HIP Housing prepares two flyers featuring sample lists of our clients providing or seeking housing. We distribute the flyers to a list of community partners who then refer potential clients to us. We need help cleaning-up our distribution list of community partners. It is critical that our distribution list stays current so that we can help people find housing and stay in their homes.

### **Congregation Outreach**

Congregations are one of HIP Housing's long-time partners. Congregations distribute our program flyers, provide speaking opportunities, and refer potential clients to us. Since new congregations form and others disband, and staff come and go all the time, we need help keeping track. This project involves contacting local congregations to confirm whether they are currently meeting, to identify their point of contact, and to provide our program materials.

### **Outreach Ambassador**

HIP Housing is seeking Outreach Ambassadors to help spread the word about home sharing in our community. We need your help contacting community partners and businesses to share and post our program flyers and schedule presentations.

### **On-Call Fundraising Support**

HIP Housing relies on donations to carry out our Mission. Our fundraising team needs help throughout the year on various projects that support our campaign efforts. These projects may include stuffing envelopes, organizing mailing lists, signing thank you cards, or making phone calls to donors and supporters.
