

Native Elements

San Francisco powerhouse, Native Elements has been keeping the energetic, feel-good reggae tradition alive in the Bay Area for over 20 years. Comprised of 9 seasoned musicians with decades of experience in rock, metal, blues, jazz and hip-hop, this eclectic and fearless crew fuses their unique influences into a contemporary, melodic, horn-driven party. Each show takes their audience through improvisational peaks and valleys from blazing guitar solos to soaring saxophone wails while also delivering an authentic reggae foundation. Having grown up together since elementary school (playing in garage bands and skateboarding) in Daly City and South City, CA, Native Elements bring a uniquely warm experience to the stage that is both entertaining and uplifting.
